GROUP 1700

Dear Sir:

Applicants note that the preliminary amendments filed on January 17, 2002 and May 17, 2002, could not be entered due to a discrepancy in the claim numbering. This Amendment is meant to take the place, or replace those non-entered amendments. Preliminary to the examination of the above-identified application, please amend the application as follows:

In the Claims:

Please cancel claims 1-17 and add the following new claims 18-34.

18. A method for a treatment of textile piece goods from an aqueous liquor under conditions which would otherwise in a textile substrate favour the formation of transport folds and/or the occurrence of friction in or on the substrate comprising the steps of:
